ABOUT THE ENTHUSIAST SOCIETY & SOCIAL

The Ice Cream Social began as an annual tradition for us, The Enthusiast Society, to celebrate our enthusiasm for The Velaslavasay PANORAMA and to welcome new members into The Society. This year's summertime tradition will take on a decidedly Southern Theme. We will also most fortunately be joined with Janet Klein and her Parlour Boys who will present melodically beautiful sounds and songs of days gone by. To learn more of their enchanting music do visit www.janetklein.com. As always, there will be ice cream for all and this year we will be serving mint juleps along with other surprises.

Please join us for this festive occasion of
Enthusiasm!
